Evil spooks plan to blackmail Brits into becoming their spies

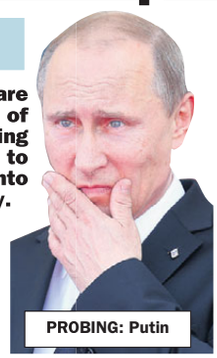

By REX ROWLANDS
rex@sundaysport.co.uk

EVIL Russian spies are creating an army of British traitors by using their porn habits to blackmail them into betraying the country.

Russkie president Putin's geeks have used special software to invade millions of UK laptops.

And when the owners go online to look at X-rated movies they are using the cameras installed on the laptops to take a picture of the user as they wank.

Shockingly they also record exactly what the person was watching at the time, which is then used to blackmail them.

PROBING: Putin

Security expert Karim Lancashire explained: "The Russian spies have sent out a blanket virus which has infected millions of computers.

"It only activates when a user looks at pornography and then it records what the user is looking at and takes pictures and footage of their face.

"If what they're watching is very embarrassing, like shemale sex or granny porn, it will trigger a notification to a Russian spy.

"They will investigate the porn watcher's background to see if they have strategic worth."

Experts reckon there could be up to 10,000 affected by Moscow's Operation Five Fingers.

Defence Secretary Gavin Williamson has warned that Russia was planning to destroy the UK's infrastructure in the event of a war.

WHITE CREME EGGS ARE 'RACIST'

Fury as they're worth more than brown ones

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN
simon@sundaysport.co.uk

MILLIONS of Brits have been scampering to supermarkets and local shops, buying armfuls of Cadbury Creme Eggs in the hope of winning a cool £1,000.

Special edition white chocolate eggs have been produced and anyone who finds one is in the running to win a cash prize – of up to two grand!

But now the popular promo has run into trouble – for being RACIST!

Meadow Sugarsweet *(pictured)*, boss of the Melting Pot Community Foundation raged: "Why should a WHITE product be seen as inherently more valuable than a BROWN one?

Unconscious

"This is just the sort of unconscious racism that runs through Britain from top to bottom.

"We are calling on Cadbury's to end this so-called promotion and demand that any prize money already paid out is diverted to inclusivity and diversity community projects.

"We also want a full apology for this terrible slur on the minority ethnic community."

PROMO: The popular eggs

Last night an insider at makers Cadbury's said: "Oh f**k! Here we go. There's always some daft c**t, isn't there?!"

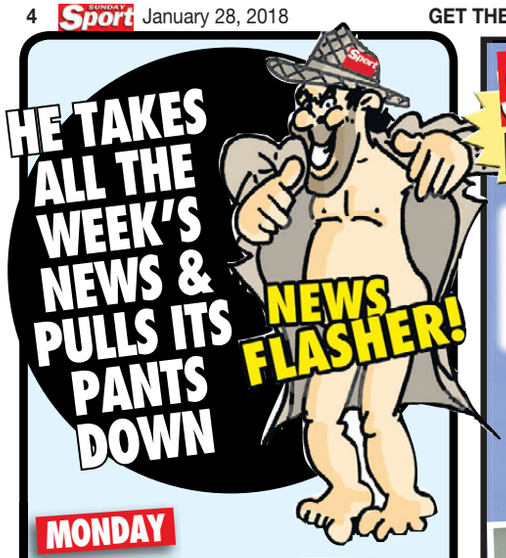

'Dopey' Bella in bad books

POP babe Bella Thorne is in trouble after posting pictures of herself smoking what looks like a spliff online.

The 20-year-old beauty (*right*) was filming a pop video for rapper boyfriend Mod Sun when she took the selfie and posted it on her Instagram account.

But fans have been slagging her off for promoting drug use with one saying: "Drugs kill. This is bad."

MEGABRAIN Stephen Hawking was left outraged when a student prankster sent him fake nuddy pics of *The Chase* star Anne Hegerty that crashed his computer.

Pals of space-aged voiced Stephen say watching ITV's *The Chase* is one of his favourite treats.

So when a grad student played a prank on him by sending him the fake pics of his favourite chaser, The Governess, he was furious at the shocking lack of respect.

Revenge

A Cambridge University insider said: "From what I've heard, he called one of his students 'shit at planets' and they decided to get revenge.

"The student knew he loves *The Chase* so he sent him a link on an email saying check out The Governess and her huge knockers.

"Stephen was f**king furious – firstly because of the disrespect to Anne Hegerty and secondly because it buggered up his laptop.

"He didn't even get to see the fake nudes."

Hookers to stop selling English sex

TOWN chiefs in Amsterdam want to ban their world famous prostitutes advertising their services in English.

The city's red light district has hundreds of hookers but fewer than one per cent of them show their price list in Dutch.

In a bid to protect Holland's native tongue from dying out politicians have passed a law banning all shops from only advertising in English.

So far they have only targeted mainstream stores, including a cheese shop called the Amsterdam Cheese Company, which was forced to close.

But campaigners in the country where 90 per cent of people speak English are eager to expand the law to include hookers.

One said: "We have our own words for blowjobs and sex, we don't need English words.

"Tourists can always use a guidebook if they are struggling."

SWINGER HALTON REVEALS HIS NIGHT OF PASSION WITH HOUSE OF HORRORS MUM

KIDS IN TROUBLE: Louise (*left*) with her hubby and 13 children

By SARAH PUGH in Oregon, California
news@sundaysport.co.uk

THE weirdo couple arrested and accused of chaining up and torturing their 13 children indulged in kinky sex fetishes including BDSM and cuckolding.

David and Louise Turpin were taken into custody after one of their kids escaped the family's California home and called police to report that they were being held against their will.

Now details have emerged of their shocking sex life and a former lover of Louise, 47, has spoken EXCLUSIVELY to *Sunday Sport* of a night of passion he shared with her.

Halton Berrington says he met Louise on an online swinging forum and the pair soon struck up a friendship.

They would send each other sexy messages and masturbate while chatting online.

He knew she was married but she told him her 53-year-old husband was happy for her to stray.

But Halton, 32, only realised how much her husband enjoyed it when they met up for sex.

The car mechanic, from Oregon, said: "We had been speaking online for about a month when she told she wanted to meet up. I was so excited. She was really sexy and I enjoyed her online chats so much.

"Of course we met on a swinging website so I knew she was married and didn't have a problem with it.

"But when we did meet up she took it to another level. We went into our hotel room and she did a slow strip before kneeling in front of me and undoing my zip. She took my length inside her hot, wet mouth and I nearly blew straight away.

"When I was erect again she lay on the bed naked with her legs spread and told me, 'Get in me'.

Doggy

"She was amazing and started moaning loudly as soon as I put my Johnson inside her. We did it for a bit and then she told me to stop and hand her her phone.

"She dialled her husband before getting on her hands and knees and telling me to do her doggy-style.

"As I pounded away she was moaning and groaning down the phone telling him what I was doing to her. It was a bit weird but it takes all sorts and I was getting my oats so I was happy.

"Then I heard ask him, 'Where do you want his load, baby?'

"She then moved and started giving me a handjob until I came all over her breasts.

"She told him, 'It's everywhere baby, I'm gonna eat it up'. Then she hung up and we kissed before she headed off home after a shower.

"I couldn't believe it when I saw the news and saw the woman I had shagged was everywhere."

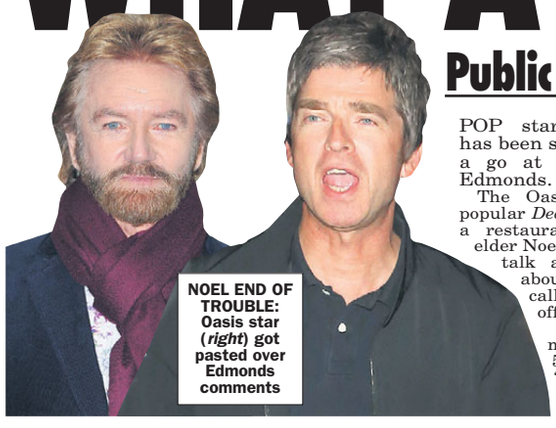

The couple have pleaded not guilty to nearly 40 charges including torture, false imprisonment, abuse on a dependent and child abuse.

Talking of the meeting Gallagher, 50, said: "I asked 'What jokes? What are you talking about? Are people taking the mickey out of me to you?'

"And he said, 'No but well, you know'."

Mum selling virginity of daughter, 13

A MOTHER has confessed to attempting to sell her 13-year-old daughter's VIRGINITY to a wealthy pervert.

Irina Gladkikh (*above*), 35, and a female friend were caught selling the teenager's cherry in a police sting operation.

The pair had flown to Moscow from their home in Chelyabinsk with the underage girl in order to sell her "first night" to a "rich client" for £19,100.

In a shocking video released by the Russian Interior Ministry the mother admits: "At 7.35am, me and my daughter flew to Moscow.

"We came to Moscow to get to know a rich man, in order to get financial help for providing sexual services by my daughter."

Gladkikh's pal also confessed the aim of their trip was "selling the right to the first night" with the girl.

Brexiteers in theft fear over Bojo mummy

A MUMMIFIED corpse thought to be related to Foreign Secretary Boris Johnson has reportedly been put under ARMED GUARD over fears it'll be stolen by angry Remainers.

The syphilis-ridden 18th century mummy was dug up from a Swiss church in 1975 but recent DNA tests show it is the great-great-great-great-great- great-great grandma of Boris, 53.

The corpse of Anna Catharina Bischoff is said to be under heavy security.

A Swiss museum guide said: "The mummy has been a source of great interest for many years but her links to Boris has only increased interest.

"There is a worry, after the shitstorm he caused over Brexit, that angry people who voted Remain could come over and try to rob the body."

Frogs spawn sexism fines

BLOKES could be soon be facing huge fines for commenting on a woman's appearance.

New "sexual outrage" laws have been proposed in a bid to reduce levels of harassment on streets.

Fines of £80 will be handed out to anyone who behaves in a manner which "infringes the freedom of movement of women in public spaces and undermines self-esteem and the right to security".

French politicians have had a consulatation to produce a report on how to tackle the issue and define what constitutes "sexual outrage",

Plans are being drawn up in a bid to eradicate what is described as everyday sexism in France.

It had been suggested wolf-whistling would be punishable with instant fines, but the new report makes no reference to it.

BALLS-UP: Kids' hospital paid back huge sum of cash raised at controversial Presidents Club charity dinner

Why should sick kids suffer over this PC storm in a teacup?

VOICES OF COMMON SENSE: Littlejohn and Boy George

THE doctors and nurses who work their fingers to the bone looking after our sick and dying are heroes.

Time and again NHS staff go above and beyond what we have a right to expect from them in order to help us in our most dire moments of need.

And with budgets squeezed, staff shortages and increased demand, simply keeping our hospitals up and running becomes harder as every day passes.

Which is why it is so mind-boggling that bosses at Great Ormond Street Hospital are returning donations of £530,000 raised by the controversial Presidents Club Dinner.

This is money that could save the lives of children.

Just think about that for a moment. Kids' lives being sacrificed at the high altar of Political Correctness.

Eager to avoid the ire of the permanently outraged, self-appointed moral guardians of social media they have decided to hand back more than half a million pounds in case they are accused of profiting from sexism.

Who cares?

When it comes to the life a child, nothing is more important.

Giving back that cash is cowardly. The administrators who run Great Ormond Street Hospital need to grow a collective backbone.

These people have a duty of care to the children, nobody else.

What sort of halfwit allows children to suffer rather than risk falling foul of a totalitarian feminist regime that appears to have taken over the country?

OUTRAGE: Many tweeted to slam Great Ormond Street stance

Obviously, no woman should EVER be touched against her will, but that is a criminal offence and should be dealt with accordingly.

Disservice

But the vast majority of the men who attended the charity do at the Dorchester Hotel last week were there for a fun night of charity fundraising.

They went for a boozy night out at a swanky hotel to raise millions of pounds for those in need.

Outrage that women should be requested to wear skimpy dresses and high heels is pathetic.

The young ladies employed weren't forced to work at that event. They chose to take the job, wear the clothes and be paid accordingly.

And the whingebags complaining about it do womankind a huge disservice by, in the simplest of terms, deciding that these young women were too stupid to make an informed decision of their own.

And they moan, scream and whine so loudly that few dare disagree with them for fear of being labelled sexist – a crime, it seems, that ranks alongside murder.

As prominent political thinker Richard Littlejohn said on Friday: "The whole business is blown so far out proportion that even the Prime Minister is compelled to interrupt an international conference to pass comment.

"We live in an absurd age of knee-jerk moral outrage, fuelled by social media and 24-hour rolling 'news', in which everyone is expected to genuflect before the altar of militant feminism — just so that politically motivated, university-educated, middle-class women with an exaggerated sense of their own importance can draw attention to themselves."

And he's not alone. Writer Jan Moir said: "I don't think that Great Ormond Street Hospital should have sent their money back in a fit of high-profile pique. Self-righteousness versus a new kidney machine for the kiddies? It's a no-contest.

"I don't think for one second that all the men behaved badly, although you can bet that some of the dopes did."

And the pop star Boy George raged against the hospital bosses, tweeting: "So the kids suffer for adults' bad behaviour? Does this make sense to anyone?"

But it's not just writers and celebrities who are angry that children will be made to suffer for the arse-covering exercise of Great Ormond Street bosses.

Disappointed

Adam Brooks wrote: "Great Ormond Street Hospital did a lot for my late brother Andrew, many years ago, but I'm disappointed on their 'moral' stance on the Presidents Club fundraiser.

"A few pervy old men should be dealt with – not all at event was like that.

"Don't let the kids suffer."

Sue Whittingham tweeted: "How dare you refuse money that would help sick children?"

Sadly, though, in this bizarre world in which we now reside, slavishly following the PC doctrine laid out by the social media facists is more important than common-sense or decency.

Even at the cost of children's lives.

Bust op plea woman gets death threat

The Stonehouse, Scotland, woman – whose breasts are 32K – launched the online appeal last week and has been "overwhelmed" by everyone's kindness since going public with her Go Fund Me page – but not everyone has been so nice about it.

She said: "I've had death threats and all sorts. It has been overwhelming trying to deal with it all.

"It's been crazy the past few days, I'm trying to ignore all the negative stuff.

"One person said something about how I should get punched in the throat and another said I should have my pout cut off whilst under the knife, which really was not nice."

Banned cabbie who asked two women for oral sex loses appeal

A TAXI driver lost his licence for demanding a BLOWJOB off two female passengers before he agreed to complete their journey.

As well as requesting oral sex, Nazmul Hassan, 33, also on separate occasions watched videos on his mobile phone as he drove two other passengers, causing the vehicle to veer along the road.

The women he asked for blowies told a district judge sitting at Mansfield Magistrates' Court he propositioned them after a night out.

Two other witnesses gave evidence that Hassan watched his mobile as he drove.

His licence to operate a minicab was taken off him in August 2017.

The judge upheld the council's decision, finding that the allegations were serious enough to justify the ban.

Hassan was ordered to pay the council £2,800 in legal costs for bringing the case to appeal.

Jacqueline Collins, from the local council, said: "The safety of the public is a paramount consideration for a licensing authority and we will not allow this to be compromised."

Mum let teen sell drugs in bedroom

A TEENAGER has been caught selling drugs out of her bedroom window – and her MUM knew all about it.

Police found marijuana, cocaine and fentanyl in their home and also seized £750 in cash, believed to be the 15-year-old's earnings from her drug selling.

Her mother, Heather Vittorioso, 37, was arrested after telling detectives she knew her daughter was selling weed, but denied knowing about the harder drugs.

Investigators said that during their search they learned that the teen sold drugs to customers who walked round the back of the house and knocked on her bedroom window in Haverhill, Massachusetts.

She then would allegedly hand customers drugs in exchange for cash.

A judge ordered that Vittorioso be held on £2,500 bail while the youngster faces charges in a juvenile court.

Union calls for teachers to be able to shag pupils

A TEACHERS union is campaigning to make it legal for their members to have sex with pupils.

The move comes after a video of headmaster Robert Sepey shagging a student was leaked online.

He faces prosecution and being banned from teaching for having a sexual relationship with a girl at his school.

But the Ghana National Association of Teachers (GNAT) says he has done nothing wrong and that as long as the girl is of age teachers should be able to bang their pupils.

GNAT's Buadu Abedu William, said: "The girl is 19 years and the parents are aware that the man is taking care of the girl, paying her fees at Odobeng Senior High School.

"When we talk about law, morality doesn't exist in law. What we were looking for was whether the girl was a minor."

Meanwhile, Mr Sepey is said to have absconded from the town and a new head has been appointed.

GoT Maisie: I'm not fit enough for Hollywood

***GAME of Thrones* star Maisie Williams reckons she might not be hot enough to make a career in Hollyowookd after the TV show ends.**

Maisie (*above*), 20, found fame as a 12-year-old playing Arya Stark on the fantasy drama but is worried she's not fit enough to take things to the next level.

She said: "It's only now I'm starting to realise the characters available to me because of the way I look and the characters that aren't available.

"It's a very shallow industry, and I don't look like someone who is cast in roles that are, well, sexualised.

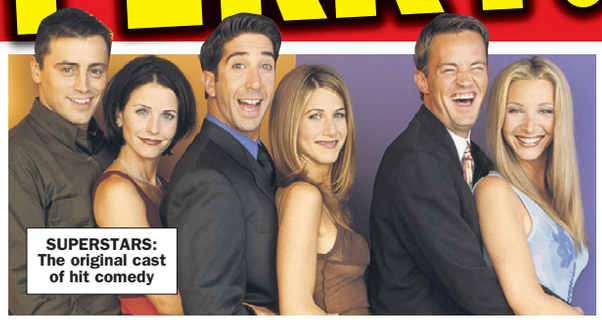

"Don't get me wrong. I'm completely in awe of Hollywood's leading ladies. I love looking at those jaw-droppingly beautiful women. But I think it's sad that you only get to see one type of beautiful on screen."

SUPERSTARS: The original cast of hit comedy

THANKS to the magic of Netflix, a new generation are enjoying the delights of Nineties TV comedy *Friends*.

Every episode is now on the streaming service and, apart from a few gripes from show-off snowflakes about the show's humour, it's a MASSIVE hit.

And just like the first time around, there are a couple of things that really stand out – Jennifer Aniston's NIPPLES!

The stunning actress played Rachel Green in the sitcom set in New York, and despite getting some great lines, it was always her nips that stole the show.

Last year, Jen spoke about 'Teatgate', telling *Cosmopolitan* magazine: "Yeah, I don't know what to say about that!

"It's just one of those things, I guess. I wear a bra. I don't know what to tell ya! And I don't know why I'm supposed to be ashamed of them – it's just the way my breasts are. But hey, OG, I'm not going to complain!"

Shrink bailed over hot tub oral sex bid

A THERAPIST has been accused of kissing and trying to LICK OUT a female patient in a hot tub.

Aracely Schutters, 45 (*above*), was arrested after claims she plied the woman with booze, tempted her into the tub and kissed her "breasts, inner thigh and groin".

Cops claim the social worker invited the woman to her home in Bettendorf, Iowa, under the guise of helping with her personal issues.

A police source said: "She kissed her breasts, pulled them out of her swimsuit and kissed her nipples, then tried to take things further and kissed her groin – moving in to perform cunnilingus.

"That is not allowed between a therapist and patiemnt. It's crossing a boundary."

Schutters was hauled of to jail but soon after released on a £3,500 bail.

She will appear in court later this week.

Nut keeps man's head in a bucket

A MAN hacked off the head of a suicide victim and kept it in a bucket for six months.

Matthew David Hall said he broke into Daniel Lucas's campervan and found the 73-year-old dead from a self-inflicted gunshot. He said he took the gun from his hand and removed the man's head.

Mr Lucas had been reported missing by pals some months earlier and a search led police to his vehicle on a campsite near Phoenix, Arizona, where the rotting remains were found.

A search of Hall's trailer in a field nearby led police to the discovery of the head in a bucket.

A police spokesman said: "It had clearly been there some time. The stench was unbelievable."

Hall, 52, was arrested and will be charged with burglary and concealment of dead body parts after a psychiatric assessment.

When I won a 4 bird roast in church raffle I wasn't expecting THIS

GROUP ACTION: Thomas poses with four lovely larger ladies

WHEN Thomas Bedley plucked out a "pot luck" prize at his local church tombola evening, he was only expecting to win a homemade Dundee cake or set of watercolour pastels.

Instead, the carpenter discovered to his delight that in fact he'd nabbed the "top prize" of a four bird roast – by happy coincidence his favourite Sunday repast.

Thomas, 44, from Gloucester, said: "I was genuinely delighted at the prospect of tucking in to a plate of turkey, chicken, duck and goose, with a pork and sage stuffing and a tasty orange marmalade glaze.

"But when I looked further down the prize notice, I realised there must have been some sort of mistake.

"Instead of a voucher for a joint from Iceland, there was just a mobile telephone number alongside the name 'Nancy'."

SUNDAY SPORT EXCLUSIVE
By JULIAN DONE

Thomas, who asked *Sunday Sport* not to name his church to spare the vicar's blushes, took the note to his static caravan nearby and immediately dialled the number.

It was then that his delight turned to shock when he was told his special prize was in fact an afternoon of GROUP SEX with four ladies!

Discerning

He explained: "Nancy told me it was a special service offered once a month to discerning, discreet gentlemen.

"How on earth it turned up in a church raffle is totally beyond me – perhaps someone was having a bit of a laugh – but a prize is a prize and I wasn't going to turn it down.

"I was asked what type of ladies I prefer and I told them the bigger the better, as I enjoy having something to hang on to.

"A couple of hours later, just after dark, there was a knock on the caravan door and there, stood in front of me, were four lovely large ladies.

"I dished out a few tins of bitter and then we got down to business. We were at it for hours – I barely came up for air.

"I just want to thank my mystery benefactor for my wonderful prize. If it's a bloke, maybe he could join in next time.

"It'd be a spit roast!"

SOAPY TITW*NKS SINKING CITY

DEMAND for soapy titwanks is causing a whole city to SINK!

Mega-brothels in a tourist hotspot are illegally tapping into scarce groundwater supplies to provide lubrication for their special massages – causing subsidence problems.

Now detectives are investigating whether water was stolen by over 40 "soapy massage" parlours – massive brothels with private bathrooms where customers receive sexual services.

Cops in Bangkok, Thailand, say the groundwater is being stolen so brothel owners could avoid paying utility bills

Suwat Inthasit, of the Natural Resources and Environment Crime Suppression Division, said: "We are examining the water quality of each room."

A source added: "Basically because these brothels offer soapy titwanks as a speciality they are destroying Bangkok."

The practice of draining groundwater began when the city went through a period of intense development several decades ago. In recent years, attempts to regulate groundwater usage has dramatically slowed Bangkok's sinking rate.

At its peak in the late 1970s, the capital was sinking at about four inches a year.

Prostitution is technically illegal in Thailand, however it is widely tolerated and openly practised.

Brothels are common and no attempts are made to cover up their dealings.

Bribes and loopholes keep the industry afloat, with police largely turning a blind eye.

Babes from mega-budget new drama TOPLESS

ZOE WANAMAKER (QUEEN ANTEDIA)

BRAND new drama *Britannia* promised to be just as X-rated as *Game of Thrones* – and its cast has plenty of NAKED experience.

Sky Atlantic's mega-money series kicked off last week and viewers are impressed by its stellar cast.

Playing the lead female role is actress Kelly Reilly, 40, who portrays the character of Kerra.

Kelly is yet to recreate her past topless scenes which saw her strip bare in 2007 fantasy *Puffball* and *Joe's Palace* in the same year.

Veteran Zoe Wanamaker, 68, also stars as Queen Antedia. She flashed flesh in TV's *Prime Suspect* in 1991.

British rose Annabel Scholey, 34, rounds up the trio of topless totty starring in the drama about the Roman invasion of the Celtic land.

She's already got her bare boobs out in the Sky Atlantic show, just like she did in 2016 show *Medici: Masters of Florence*.

Nine-part series Britannia continues on Thursday at 9pm.

Woman found cooked in pot

THE chopped up remains of a missing woman have been found "cooked" in pots on a stove.

She went missing from her home on January 13, saying she was leaving to pick up her children from her ex-husband.

Cops say she was not heard from again and authorities now believe she was murdered and dismembered.

Spokesman Roberto Alvarez said: "It is presumed that she was cooked," and added that the victim's ex-husband was the chief suspect.

One local police source, in Taxco, Mexico said: "It wasn't just flesh in the pots. There were ancho chillies, cumin, garlic, and fresh herbs. It was quite a feast, if you can forget about the main element."

DAD LEFT OUR £5M INHERITANCE TO HIS SLUT SCARECROW WIFE

SUNDAY Sport EXCLUSIVE

IN HAPPIER TIMES: Annabelle, Sally, Antoni and Antoni Jr

A DAD who died leaving a fortune from his scrap metal firm has stunned his kids by leaving all of it to their hated stepmother.

Worse still, the £5 million bequeathed to Brenda "Sally" Giadelli is unlikely to ever be spent – because she is a straw-filled SCARECROW.

Sally's late husband Antoni tragically died last August, aged just 58, after he accidentally fell into his on-site car crusher.

Workers failed to turn off the machine in time, and Antoni's remains took days to fish out.

Now his children, son Antoni Jr, 28, and daughter Annabelle, 26, are demanding that a court overturn their father's will on the grounds he was not of sound mind when it was drawn up.

By JULIAN DONE
news@sundaysport.co.uk

And Annabelle, speaking from the home in Solihull, West Mids, that she still shares with her brother and estranged stepmum, believes she has a solid case.

She told *Sunday Sport*: "In his last few years, it's fair to say dad changed quite considerably. We think it had something to do with the moonshine one of his staff used to make for him.

"He had a lot of money in the bank but like all millionaires, didn't like to spend it. That's why he preferred homemade hooch to the Polish vodka he used to buy.

"It's also why he ended up married to Sally. She doesn't say much, but she had a strange hold over him from the first time he bought her. He also liked the fact she didn't answer back.

"God knows what else he saw in her. She was a right hussy – always giving it the unblinking eye to absolutely everyone who walked past, be it man, woman or beast.

"We're just desperate now to get this thing reversed. We can't believe he left our £5million to his slut scarecrow wife."

Bex wants to get it up – in a lift!

BUSTY Bex White is a secret exhibitionist and even has a kinky fantasy where she BONKS in a lift!

The Sussex stunna says her ideal day is enjoying a naked picnic in the forest before having a rugged outdoor romp.

Bex, 29, who boasts an ace 32B pair, said: "I love going off somewhere to have some naughty fun in the car or in a field.

Naughty

"There's no better way to spend a day than by having a naked picnic in the New Forest! It's the thrill that you could get caught in the act that makes it so very naughty.

"I have a major fantasy about having sex in a lift. You only ever get about 20 seconds in one before someone else gets in! My bloke knows I have this fantasy and we often grope each other when we're in a lift and then giggle like kids when we have to stop at a floor!"

World record affairs bid is hit by missus

MARRIED love rat Peter Carsley was caught cheating by his wife after he emailed the Guinness Book of Records to claim he'd had more affairs than anyone else in the world.

Carsley, 56, wrote to the company asking if it was possible for him to go into the record book anonymously saying he'd had 74 successful affairs during his 33-year marriage.

But he left his email account open and wife Sylvia, 61, found out what he'd been up to.

From the couple's home in Warrington, Cheshire, she said: "He claimed it was all a lie and he was just trying to show off to the lads down the pub but I've always had suspicions.

"I knew he was a bit of a Jack the Lad when I married him but this is heartbreaking.

"I thought I was happy but Peter has been slipping a length to all and sundry – our marriage was a sham. I'm getting a divorce."

£300 Blowbot 'like bonking a porn star'

ONLINE wank giants Pornhub have invented a robot sex toy that they say is just like shagging a real X-rated actress.

The Canada-based internet firm are branching out into sex toys and have created the ultimate luxury wank machine.

Called the Virtual Blowbot Turbo Stroker, it costs more than £300 – but expert jizz extractors reckon it's worth every penny.

Users can hook the device up to their computers and, when they play specially created porn flicks, the Turbo Stroker *(above)* mimics the actions of the lady on screen.

As it jerks, thrusts and grips, they claim it is like shagging your favourite porn star.

Pornhub have also produced a Rabbit style vibrator for women that costs £170 and a budget version of the stroker for £200.

Uni students in fear of flasher

FEMALE students at a British university are being terrorised by a serial flasher.

Over the last month cops say the man has whipped out his tackle and waved it at women at least three times, but there could be many more victims who haven't come forward.

All the incidents happened near Nottingham Trent University.

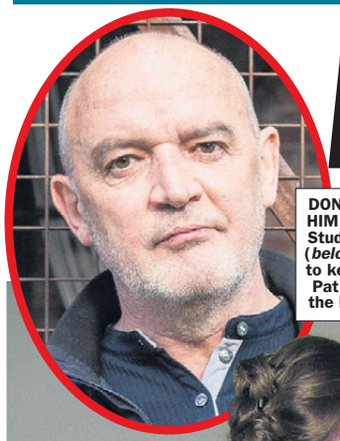

A spokesman for the university said it was asking students to remain vigilant.

The police said: "The man is described as white, in his mid to late 40s, short, of a large build and was wearing dark clothing.

"It is believed to have happened on a number of occasions but it is thought that not all incidents have been reported."

DON'T SEND HIM TO JAIL! Student fans (*below*) plead to keep killer Pat (*left*) in the ITV soap

CORRIE serial killer Pat Phelan has put the fear of God into soap viewers.

By HARPER HAYES

But not everyone out there is afraid of the psycho builder.

Students Hannah Manley, 20, Jamie Langley, 19, and Heather Piltdown, 20, are the soap baddie's biggest fans.

And while the rest of the nation is desperate to see the Scouse nutjob get his just desserts they are desperate for Pat to stay in the ITV soap.

So they have sent a message to *Street* bosses to keep him in the show – even if he does get caught for all those murders.

Hannah, from Blackpool, studies at the University of West Lancashire and said: "We've got a uni *Corrie* society and we're all devoted to Pat.

"He's our fave by far. He's so bad we all think he's sexy and don't want him to leave.

"So we wrote a message on our bums to get the attention of telly bosses.

"Hopefully when they see it they'll let him off with the murders. It wouldn't be the same without him."

Phone technician stole female customers' naked pics

SEX TAPE NICKER: Aydin Agar walked free

By BECCA STUBBS
BECCA@sundaysport.co.uk

A PHONE and internet technician who stole more than 80 NAKED photos and a SEX TAPE from five of his female customers has avoided jail.

Aydin Agar, 25, stole more than 80 explicit photos from a number of women's mobiles whilst attempting to fix their phone problems and has been handed an 'intensive correction order'.

Agar's sneaky haul included lingerie selfies, full-frontal snaps photos and even a video of one female customer engaged in a sex act.

TRUST: Mannon had her explicit photos taken

Agar told the women that he needed access to their mobiles to connect them to the WiFi but instead accessed sensitive material on their phones.

He then sent himself the images while the women weren't looking and deleted any trace of outgoing messages from their devices.

However, he was rumbled when one of the women noticed her private racy photo had been accessed and opened while Agar was using her phone.

Mannon White, who was one of the women whose photos were taken said: "They were very private, explicitly sensitive images that you wouldn't share with absolutely anyone except with a partner or someone you extremely trust."

It was also revealed that Agar assaulted one of his victims when she noticed what he'd done during a second visit to her home.

He pushed and shoved her while attempting to snatch her phone and run away.

Magistrate Jennifer Atkinson said his actions were a complete abuse of trust and caused significant emotional harm.

"This is completely and utterly unacceptable," she told Agar in court.

"The fear somebody has that these images are going to be spread around the world is enormous – it's absolutely awful."

The company he worked for, NBN, fired him from his technician job in Sydney, Australia. and he was sentenced to 16 months' jail, to be served as a correction order in the community.

BABES IN THE BATH

By WENDY THOMAS
news@sundaysport.co.uk

IT'S one of the oldest jokes from legendary 1970s working men's comedian Bernard Manning.

Pointing out an attractive lady in the audience at his Embassy Club in Manchester, tubby Bernard would wipe sweat from his brow and say: "Bloody hell, love, if you were my daughter I'd still be bathing you!"

The crowds would crack up – but not nearly as cracked up as we were when we got our hands on this selection of soaped-up bathing beauties.

There were so many to choose from that we thought we'd give you FIVE PAGES of babes in the bath!

Sunday Sport picture editor Mark "Brains" Tate explained: "Taking photographs with lots of water around can be problematic.

"But the results from our snappas are excellent – and the fact they involve a bevy of naked women lathering themselves up is nice."

Naked teacher chases kids in playground

A TEACHER was caught on camera stripping NAKED on a school playground before chasing nearby students.

The unidentified PE teacher whipped off all his clothes in front of shocked students and started to chase them, shouting 'I'm going to eat you all'.

A construction worker managed to film the teacher *(above)* just as he was pulling his pants back on in the middle of the playground.

Adrianna Weingold, a parent of a pupil at Carthay Center Elementary School in California, said: "He undressed and started chasing the kids while he was naked.

"Then the kids ducked and dodged, ran into some of the classrooms and got safe haven that way."

Another parent said: "All of the kids saw his private parts He was screaming about wanting to eat them.

"I think drink may have been involved. Or he's nutty."

Cops took the teacher into custody.

Man shoots himself – for shooting best pal!

DOZY Zachary Woodcock accidentally SHOT his best pal during his 21st birthday party – and was so upset he shot himself.

The gun-loving student invited some friends to celebrate his 21st at his home Michigan, where they started knocking back beers.

As the group boozed and joked about, Woodcock pulled out a gun to muck about with.

But he accidentally shot 21-year-old Richard Skillman in the chest, Saginaw County Sheriff's Lt. Mike Gomez said.

Skillman was pronounced dead at the scene in Merrill, Michigan.

Woodcock then went outside and shot himself. He was taken to a nearby hospital, where he died.

Authorities recovered 10 guns, including the one used in the shooting, from the apartment.

BELLFIELD'S TEARS AS WORBOYS LEAVES JAIL

'I'll miss you so much,' wails beast

MONSTERS: Bellfield and Worboys were pals in prison

EVIL serial killer Levi Bellfield WEPT when told notorious black cab rapist John Worboys was leaving prison.

The twisted duo had become firm pals while sharing time for their heinous crimes.

Worboys, 60, set for release after a Parole Board ruling, became friends with Bellfield when they were both being held in Wakefield Prison.

Milly Dowler monster Bellfield, 49, was Worboys' "McKenzie Friend" – someone to help with legal bids and offer advice.

By REX ROWLANDS
rex@sundaysport.co.uk

Pet

They stayed in touch when Bellfield – who infamously once had sex with his sister's pet RABBIT during his schooldays – was moved to Frankland Prison, Co Durham, in 2013.

Worboys – who cops believe may have raped or sexually assaulted more than 100 women – told other inmates of his close friendship with Bellfield, who he refers to by his Muslim convert name Yusuf.

A prison source said: "Worboys was close to Bellfield and was upset when he moved. They were always in each other's cells and having coffees and meals together. They would chat about football and boxing."

The insider added: "When Bellfield heard Worboys was to be released, the soft sack of shit actually cried. He fears that once he is out of the prison system, he'll never hear from him again because the authorities might not allow it.

"Worboys is what Levi considers to be his only friend in the world, even though the c**t himself killed at least three girls."

Worboys – caged for 19 sex attacks in 2009 with an "indeterminate" sentence – could be released on parole any day now, but there are legal moves afoot to keep him behind bars.

My missus waiting at the BUST stop

SAUCY housewife Gill Doyle displayed more front than the Number 42 when she flashed her norks at a bus stop.

Gill, 38, from Reading, whipped them out while waiting for a bus to return from a night out with hubby Daniel.

Daniel, 39, said: "I got my phone out and suggested she give me a show of her tits.

"She's always been game for a laugh. All of sudden she's pushing her tight little dress down and grabbing her boobs! It set the tone for the rest of the night!"

Love cheat caught on job with 'doll'

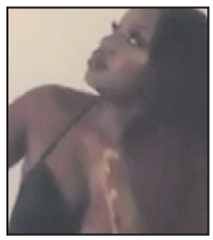

A WOMAN pretended she was a SEX DOLL when her love rival walked in on her SHAGGING her boyfriend.

The cheating duo tried to convince the scorned woman the girl, clad in black lingerie, was in fact a sex doll to avoid their affair being rumbled.

A short video surfaced on the internet of the wronged woman barging into a bedroom to find her fella on the job and yell: "What the fk is going on here? Who the f**k is this?"**

Instead of confessing, her man denies cheating on her and says: "It's a fking sex doll", while his illicit lover stands rigid, staring into the distance.**

Not fooled, the cheated spouse shouts: "This bitch is not no sex doll!' before prodding and pushing the supposed sex toy.

After three pushes the sex doll act fails and the lover storms out as the man yells: "I've a receipt. It is malfunctioning. I don't know why she is moving."

Beast had sex with ex's corpse then stopped for a sandwich

DEFILED: Killer Artyom Iskhakov (*below*) killed and had sex with his ex-girlfriend Tatiana

By PAUL HEYWOOD
news@sundaysport.co.uk

A TWISTED killer gave people a running commentary online after killing and strangling his teenage ex-girlfriend after having sex with her dead body.

Artyom Iskhakov, 19, told his victim's parents in a chilling message how her heart was still beating – so he stabbed her and had sex with her corpse.

And he stopped to eat sandwiches, before boasting several hours later that he raped Tatiana Strakhova's corpse a SECOND time.

Driven by envy at the 19-year-old's relationship with another man, the IT student wrote that his actions were "terrible, but I did what I wanted".

He then hanged himself moments after finishing his post by asking for forgiveness.

STABBED TO DEATH: Tatiana Strakhova

Dumping

Tatiana, a top student at the prestigious Higher School of Economics at Moscow's National Research University, had earlier dated Iskhakov before dumping him.

They continued to live in the same flat but she had other boyfriends.

Iskhakov said it was his obsession with wanting sex with her that drove him to kill.

A student at elite Bauman University who also worked as a programmer, he admitted in his disturbing social media message that he "got tired of listening to her f**king explanations of why she doesn't want to drink with me – and seeing her flirting with my friend".

He added: "She came home, I was sitting in the kitchen, she walked to her room. I punched her in the face, she fell on the floor.

"I punched her a few more times, blood started coming from her mouth, and she asked me to leave."

He then described how he felt that her heart was still beating and that he strangled her before slashing her throat, then had sex with her corpse.

A police source said: "After the first time he had sex with her corpse he stopped for a sandwich and had a rest, before doing it again."

He wrote a message to Tatiana's parents saying he was "ashamed", adding: "Forgive me for taking your only child from you. I loved her very much.

"You know, at this very moment I've realised what the f**k I did.

"I feel cold and my hands have started shaking even more."

Several hours later, he added: "What have I turned into? Sorry. I cannot atone for my sins. I'll go kiss Tatiana on her cold forehead and prepare for my death.

"She lies there dead and cold with no moving fingers…farewell, goodnight sweet princess."

Admitting his disgust at having sex with Tatiana's corpse, he added: "Now I can do nothing except kill myself."

Police are investigating the deaths.

Thug nicked over poultry matter

ANGRY Juwan Brown has been arrested for throwing a fried chicken wing at his girlfriend's face during a row over chips.

Brown (*right*), 23, allegedly threw the poultry at the woman, striking her in the face at their home in St Petersburg, Florida.

Brown was busted after a dispute over who had the most French Fries turned nasty.

During the argument he stepped on the woman's foot, and "threw a piece of chicken at the victim, striking her in the left side of her face," say cops.

He now faces jail and will be tried next month.

MY FIRST TIME...

THEY always say that you remember your first time...well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries.

And they will share the spicy details of some other special first-times, too!

Here we delve into the sexy secrets of two saucy stunnas from Ilford in Essex...

MILLY JONES
AGE: 21
FROM: Ilford, Essex
OCCUPATION: Student
FAVE DRINK: Bacardi and Coke
FAVE FOOD: Roast chicken dinner
FAVE FILM: *Straight Outta Compton*
FAVE ACTOR: Jason Mitchell
FAVE HOLIDAY: Italy

GERI FRASER
AGE: 23
FROM: Ilford, Essex
OCCUPATION: Sales Assistant
FAVE DRINK: Rum and Coke
FAVE FOOD: Steak and chips
FAVE FILM: *The Butler*
FAVE ACTOR: Elijah Kelley
FAVE HOLIDAY: Ibiza

FIRST TIME

MILLY: I was on holiday in France when I lost my virginity to a guy I had a fling with there. We'd been flirting for about 10 days when one day we were having a picnic and had sex in the middle of a field.

It was really crap. It wasn't his first time but he didn't know what he was doing at all and it only lasted a few minutes.

GERI: My first time was with my first long-term boyfriend when I was 16 and on holiday in Ibiza. We did it in our hotel room on the second night of our holiday. We got a bit tipsy and it ended up happening.

It wasn't very good, it lasted about 15 minutes but was really fumbly.

FIRST DRESSING UP

MILLY: Last year I dressed up for sex for the first time. It was my boyfriend's birthday and I put on a corset, suspenders and stockings.

It was really exciting and I felt really sexy wearing everything. He got super-excited and took me straight into his bedroom and we had mind-blowing sex for about four hours!

GERI: I dressed up for the first time about six months after I lost my cherry. It was Valentine's Day and I bought a nurse's outfit. It felt really naughty putting it on for him and he was over the moon.

He just ripped it straight off and threw me on the bed. The sex was over really quickly – I think he got a bit too excited.

I was gutted as I'd spent all that money when I needn't have done.

FIRST HANDJOB

MILLY: I was 16 and was with one of the lads from school, revising for exams in his bedroom. We'd been flirting for weeks and I took my chance and kissed him.

Next thing, his trousers came off and I got down to business. I wanted to try it and was pleased when it only took me five minutes to make him climax.

It went all over his pants and I found it hilarious when he came because he screwed his face up all funny.

GERI: My first handjob was in the cinema when I was 17 and on a date with a lad who lived near me.

I was really getting into the film when he grabbed my hand and put it on his willy. I knew what he wanted me to do and I didn't mind trying it. It was really boring and it hurt my hand though.

It took about five minutes for him to orgasm. He shot it all over the seat in front of him – it was minging!

I didn't think much of it – I just wanted to get back to watching the bloody film!

FIRST HUGE WILLY

MILLY: I'm kind of seeing a guy at the moment who has an enormous willy. It's about eight inches long and I'd never seen anything like it. He's really skinny so I really didn't expect it to be that big and fat, it was a really nice surprise. The sex the first time with him was really good, too. It wasn't the best I've ever had but I knew it could be, with a bit of guidance.

Sex is better when their willy is bigger because it goes further in.

GERI: I got a bit friendly with someone at a party last year and he had the first big willy I've had. It was about seven inches and I couldn't contain my excitement when I first saw it.

The sex was definitely better than average, it felt different and was fulfilling. But I don't think size is too important, as long as they know what they're doing.

FIRST BLOWJOB

MILLY: I really wanted to please my boyfriend when I was 16 and that's why I gave him my first-ever blowie. We were lying in his bed and I just nipped under the covers without asking him.

I really liked doing it because I could hear from his groans how much he was enjoying it. It took about 10 minutes for him to come but I hated the texture of the jizz – it was like cake icing. I swallowed it though, because there was nowhere to spit.

GERI: I gave my first blowjob in my local park when I was 17. We were sitting on a bench, we started kissing and it just felt right so I went down on him.

I wanted to do it and I quite liked it because it felt a natural thing to do. It took about five minutes for him to climax. There was loads of it and I spat it straight into a hankie because it was making me heave, to be honest.

I've got used to the taste now though, and usually swallow the lot every time.

> **"I've got used to the taste now ... and I usually swallow the lot every time"**

FIRST SEX TOY

MILLY: My first sex toy was a Rampant Rabbit vibrator. I bought it because I'd been single for a while and wanted to have a bit of fun. The first time I used it I couldn't believe how amazing it was – I had several orgasms over about half an hour. I don't think it was as good as the real thing but it wasn't too bad!

GERI: The first sex toy I got was a pair of handcuffs. My ex bought them without telling me and then produced them one night during sex and asked if he could shackle me to the bed.

I was feeling kinky so I agreed and it was one of the best nights of my life.

FIRST ONE-NIGHT STAND

MILLY: The first one-night stand I had was really good. I was 17 and met the guy in a nightclub. At the end of the night I went back to his place and we both knew what we were going back for. We wasted no time in going into his bedroom and got straight down to it.

He had all the moves and it was really good fun. I liked the fact it was just sex, there were no strings attached.

GERI: My first one-night stand was the night after I broke up with my boyfriend when I was 17. I was on the rebound and I pulled this really fit lad when I was a bit tipsy and we went back to his house.

The sex was really good – I completely lost my inhibitions and we had a great time. I had absolutely no regrets the next day and I've had a couple more since then – I like not having to see them again.

FIRST FANTASY

MILLY: Last year I was going out with a security guard. He was working in my local library overnight and it gave me the chance to fulfil my fantasy by having sex in there.

I couldn't stop laughing when we were doing it, it's just so taboo. Knowing we were doing something really naughty was a big turn-on.

GERI: I lived out a fantasy for the first time last summer when I had sex at a festival with a guy I was seeing.

I'd always wanted to have sex in public and we waited until everyone was really drunk and we went back to our little tent and did it.

I loved knowing we might get caught – we could hear party people walking past the tent while we were shagging, too. It really did it for me.

Bubbly Britney a foam loving girl!

HERE at Sunday Sport, we love good, clean fun.

And what could be cleaner than catching busty model Britney as she has a nice bubbly bath!

The 38D Cardiff beauty said: "After a long week working I like nothing better than a long soak in a hot, foamy bath to ease away all those aches and pains.

"And, you never know, I might have a little diddle, too."

Britney, 31, also told us: "Having big boobs is a huge blessing. I have a habit of playing with them and not even realising it sometimes."

We can see how that could happen, Britney!

LEGENDS

38 VIKKI THOMAS

By SIMON DEAN
simon@sundaysport.co.uk

TOPLESS legend Vikki Thomas is proof that glamour girls are more than just a great pair of BOOBS.

The busty blonde was also a top actress and telly presenter.

Vikki, 35, was working on an exhibition stand in the late 1990s when an intrepid photographer noticed her impressive 36DD talents.

And she went on to enjoy a career as a top model – thanks to *Sunday Sport*!

Just a few months after her first topless shoot, Vikki left her home town of Weston-super-Mare in Somerset and became a London party girl.

She made her Hollywood debut in 2001's *Tabloid TV* opposite actor John Hurt.

The big-hearted beauty supports charity work, giving her time to Arthritis Research Campaign and Cancer Research.

Vikki said: "I'll always love the *Sport*. It's just such a fun paper!"

THE SAVAGE ONE!

STUNNA Alessa Savage is a pro porn star from London – and the great British wanking public love her!

Alessa, 28, has been working in the industry for four years and she isn't planning on getting out anytime soon, saying that she only plans to leave the industry when it "stops being fun."

Alessa started her career as a model, and filming hardcore sex seemed like a natural progression to what she had been doing. Plus, she just loves being naked!

Sticky

She also loves to f**k, and it really comes across in her films. An early shoot was for Television X, in a girl-girl scene with scissoring, sticky fingers and a lot of pussy licking!

She's also stared in hardcore TVX films *XXX-Pats* and *Pornstars In Their Eyes*. Both are available to watch at *www.TelevisionX.com* where she sucks, f**ks and gets covered in hot sticky cum.

Alessa is no-nonsense hardcore!

BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE with SIMON DEAN

TODAY

5 Star, 9pm, *Wild Card* – THRILLER with Jason Statham and Sofia Vergara and a lovely uncredited actress (*above*) who bares her boobs in the shower on 30 mins. Lovely stuff.
Channel 5, 11.35pm, *Fatal Trust* – AMY Jo Johnson gets banged senseless on the work top in a passionate romp that sees her reveal her pert breasts and, if you squint, her nips.
Channel 4, 11pm, *Side Effects* – IT'S dark but Rooney Mara shows of her pert little puppies when she rides a fella in this psychological thriller. Catherine Zeta Jones is also in it but she keeps her big milkers under wraps.

WEDNESDAY

ITV4, 9pm, *The Gauntlet* – ACTION thriller directed by Clint Eastwood that sees sexy Sandra Locke (*above*) strip out of her jeans and blouse and enjoy a nice bonk on the grass.
Horror Channel, 12.55am, *The Facility* – THERE are boobs and bush in this gruesome horror flick but to be honest the nudy scens are a bit specialist, Sky Lourie is fit but she's covered in blood and just murdered someone.
Sky Hits, 11.15pm, *T2: Trainspotting* – FOLLOW-UP to the cult hit flick from the 1990s with even more boobs including Anjela Nedyalkova who strips nude on 1hr 33mins.

MONDAY

SyFy, 11.30pm, *George A Romario's Land of the Dead* – BLONDE beauty Dawne Furey (*right*) whips 'em out on 25 minutes while dancing in a cage in this gory zombie flick. And you'd risk the undead to get an eyeful of them.
Sony Movie Channel, 11pm, *Doom* – BASED on the 1990s video game this gory thriller sees the lovely Blanka Jarosova show her bits on 25 minutes. It doesn't end well though. She ends up dead with her arm chopped off.

THURSDAY

Sky Select, 10.05pm, *The People Vs Larry Flynt* – OBVIOUSLY this biopic of the top porno maker is packed full of topless blart and the best of a very good bunch is Courtney Love (*above*). She shows bush too.
Sky Heroes, 8pm, *Deadpool* – NONE of the main characters go tits-out which is a shame, but when the wise-cracking superhero visits a strip club there's plenty of boobs on display.

TUESDAY

ITV2, 9pm, *American Pie 2* – LOADS of tits in this sequel to the smash hit comedy that defined the early noughties but the pick of the bunch is the small but perfectly formed pair of the lovely Lisa Arturo (*above*) on 58 minutes.
Sony Movie Channel, 9pm, *Code of Honour* – STEVEN Seagal flick with the usual shooting, fighting and of course boobs, including the very fit April Jorgensen who gets hers out on one minute 33 while riding our hero.
Sky Thriller, 3pm, *Face/Off* – NO boobs but plenty of bum cheek from the very hot British actress Dominique Swain in this crazy drama with John Travolta and Nicolas Cage.

FRIDAY

Channel 4, 21.10am, *This Is 40* – FUNNY flick about how a couple approaching middle age with Leslie Mann (*above*) whipping her pert pair out on 33mins and 1hr 19mins.
E4, 9pm, *The Inbetweeners: The Movie* – SEXY blonde Laura Haddock strips nude for a sexy skinny dip and if you pause it you can just make out her outstanding nipples.
Sky Select, 10pm, *Boogie Nights* – THERE are so many boobs in this ace flick about the porn industry. Heather Graham gets 'em out on 25 and 57 minutes, Julieanne Moore on 51 and 54 minutes and four more babes all show their knockers.

PICK

TODAY

MONDAY

Going wild about Michaela

***Winterwatch 2018* – BBC2, 9pm**

NEW series. The team returns to follow the fortunes of wildlife around the UK, catching up with animals featured in last year's *Autumnwatch*.

Chris Packham and lovely, lovely Michaela Strachan host from their base at the National Trust's Sherborne Park in Gloucestershire, while Martin Hughes-Games continues to go deeper into some of the hidden stories around the estate.

Gillian Burke is on Islay in the Inner Hebrides, tracking down a family of otters who live in and around one of the island's famous whisky distilleries.

***Two Doors Down* – BBC2, 10pm**

NEW series. Cathy, Colin, Ian and Gordon head to Eric and Beth to celebrate Burns Night, and everyone is surprised when Christine turns up – back early from visiting daughter Sophie in north Wales and full of complaints about it.

Colin's mention of ex-girlfriend Yvonne sets Cathy's blood boiling, while not all the guests are enthusiastic about eating haggis, least of all vegetarian Gordon.

The return of the comedy, starring Arabella Weir, Alex Norton, Doon Mackichan, Jonathan Watson and Elaine C Smith.

OF THE TELLY

By BARNEY SAMUELS

Honestly, it'll bowl you over

***Live Bowls: World Indoor Championships: 2018 Open Singles Semi-Final* – BBC2, 2.30pm**

NO, no, don't take the piss! OK, bowls may not have the reputation as the world's most exciting sport but sit down after your Sunday lunchtime session in the boozer and pop this on the telly. It's f**king captivating!

Coverage of the open singles final from the Potters Leisure Resort in Hopton-on-Sea, as the players compete for the prestigious title won by Paul Foster last year.

Rishi Persad presents, with commentary by David Corkill and John Price.

***Match of the Day Live: The FA Cup* – BBC1, 3.35pm (Kick-off 4.00pm).**

COVERAGE of the fourth-round clash between Cardiff City and Manchester City. The Citizens last won this competition in 2011, but the Bluebirds have to go back a little further for their one and only win – 1927.

Can the Championship side surprise the high-flying Premier outfit? It's the Cup, anything can happen.

***Johnny English Reborn* – C5, 6pm**

THE bumbling secret agent retires to a Tibetan monastery in disgrace after a mission goes wrong.

He is lured out of seclusion by the chance of redemption when his former bosses seek his help in foiling an attempt to assassinate the premier of China.

Armed with hi-tech gadgets, English sets off across the globe to bring the bad guys to book, unaware that the real threat may be closer to home.

Spy comedy sequel, starring Rowan Atkinson, Gillian Anderson and Rosamund Pike.

TUESDAY

***Rise of the Planet of the Apes* – Film4, 6.55pm**

A SCIENTIST carries out genetic experiments on apes, hoping to find a cure for Alzheimer's disease.

A chimpanzee used in the tests develops superior intelligence and becomes outraged at the human race's cruel treatment of his kind, forming his fellow primates into an army to overthrow mankind.

Great monkey action!

Sci-fi thriller, starring James Franco, Freida Pinto and the brilliant Andy Serkis.

***Britain's Favourite Walks: The Top 100* – ITV, 7.30pm**

ANOTHER chance to ogle the gorgeous Julia Bradbury who joins Ore Oduba to present a countdown of the UK's best loved walks, voted for by more than 8,000 enthusiasts.

Featuring locations from the West Highland Way to the Ridgeway, and almost everywhere in between.

Famous faces including Catherine Tyldesley, Adrian Edmondson, Katherine Kelly, Larry Lamb, Janet Street Porter and Robert Bathurst hit the trails to reveal their own favourite walks, which feature in the poll.

They are joined by experts, nature aficionados and members of the public who provide an insight into the hikes, the history and the hidden stories behind the trails.

DON'T MISS THIS!!!

***Requiem* – Friday, BBC1, 9pm**

A CREEPY thriller, a supernatural spookfest that'll give you the willies and have you tossing and turning all night. And not in a good way.

Fit Lydia Wilson stars as gifted cellist Matilda Gray whose visit to play a concert in London sparks a series of chilling events surrounding the mysterious disappearance of a four-year-old girl in 1994 in a small Welsh town.

It's traditional ghost story fare – but delivered in a fresh modern way.

First of six – but the whole series is on iPlayer after this opener.

THE WORLD FAMOUS AGONY Page

Dear Ava,

I AM a builder and have been going for a pie and chips at a local chippy, where the girls are quite fit.

I asked one of them out last week – the one who scrapes her hair back in a fairly ugly style, but I imagined she'd look quite good with it down.

She agreed to go out with me and we went to the pub. It wasn't long before we went back to her flat which she shares with two other girls.

I had sex with her in loads of different positions, and now she says her two flat mates want to shag me, too.

I've never done three at once before – have you got any tips please?

TM, Lancs

Ava says...
THE best thing I can suggest is a pack of condoms – and a good supply of sex pills!

Dear Ava,

I SIT next to this right cracker at work and she's always bragging about the blokes she's shagged over the weekend.

She's Asian, absolutely f**king gorgeous and I'm always walking around with a semi due to listening to her stories.

The other week she was on the phone to her mate and I saw her hand was under the table while she related her last exploit.

Her eyes closed and she sank lower into her seat and I could tell she was frigging herself.

I'd love to have a go on her but worry she's had so many blokes that I may not measure up and she might tell people in work.

What should I do?

PV, Glasgow

Ava says...
ASK her out for a drink, try and get into her knickers, and if she slags you off at work just look for a new job.

DO YOU HAVE A SEX PROBLEM?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week AVA DALUSH has been reading through your letters and emails. Here's her advice...

Threesome fantasy has turned into nightmare

Dear Ava,

ALTHOUGH I have been living with my girlfriend for three years, I've never been able to give her an orgasm.

Desperate to find a way to fulfil her sexually, I jokingly suggested we try a threesome – with another bloke.

At first she was shocked at the thought, but a few days later she called my bluff and said she would love to give it a try.

We decided it would be best if it was a stranger and one weekend we went to a club and got chatting to a fella my girlfriend fancied.

We'd all had a couple of drinks and when we suggested he come home with us, he was up for it.

Sucking

And when we got upstairs, I took a back seat while he kissed my girl all over.

He began sucking her breasts and then started licking her moist fanny.

His tonguing became more frantic and she grasped his head and let out a piercing cry as she orgasmed for the first time.

He then thrust his fat dick into her, before flipping her over and taking her doggy-style and then he shot his hot spunk over her arse.

I followed his lead and gave her a good licking out before getting stuck in with my own rampant prick.

But for all my efforts, she didn't respond in the same way as she had done with him.

This has since caused tension between us and last week she told me that she's leaving me and is moving in with the bloody guy from the club!

I'm absolutely gutted and wish I'd never suggested the damn threesome in the first place.

Any ideas?

DF, Glasgow

Ava says...

THERE'S always this danger if you share your girl. Spend some time working on your own sex technique.

Dear Ava,

I'M so scared of my boyfriend's huge penis that it has been giving me nightmares.

We have been dating for six months now and I do love him very much.

He is always so kind and considerate towards me and loves taking me out for romantic dinners and long walks in the countryside.

But the first time we went to bed together, and saw each other naked, I got a glimpse of his MASSIVE manhood and it scared me shitless.

More often than not, we end up giving each other a bit of mutual hand relief – I tried getting his big helmet in my mouth once and I almost split the side of my lips, trying to get him in!

Please give me some good, honest advice.

MB, Essex

Ava says...

I THINK that you're worrying over nothing. Try to get it in a bit more each time and you'll find you get used to it.

SUNDAY Sport SUNDAY STUNNA

Foxy Roxy: I'm cock crazy!

WE asked raunchy Roxy Taggart to tell us her most endearing quality.

By WENDY THOMAS
news@sundaysport.co.uk

And do you know what the sex-hungry 23-year-old told us... "I am crazed for the cock!"

Roxy, who has all-natural 32E boobs, is originally from Slovakia but has now become a big worldwide star by playing to her natural abilities.

The busty brunette stunna can be found performing in an amazing catalogue of some of the most graphic hardcore pornography available.

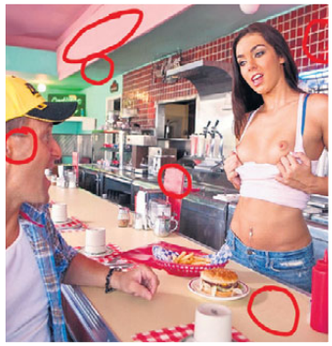

Her appearance in *I Love To Suck* has been hailed as one of the greatest in the genre – with one of the most copious cumshots ever caught on camera.

Roxy smiled: "It's not just the cock I like – I also like the spunk.

"And I also like to lick a lady's tight bumhole. Mmmm."

MASUAKU IN SPIT STORM

OFF YOU GO: Masuaka isn't happy after his red card

Barnsley 1
Fulham 3

THE Cottagers moved into the final play-off places on goal difference after two very late goals finally put 10-man Barnsley to bed.

Liam Lindsay put the Tykes in front but Dimitri Cavare was shown a red for violent conduct just before half-time.

Ryan Sessegnon levelled with a fine strike but it took until the 92nd minute for Kevin McDonald to head the winner which was followed by Sessegnon's second.

Brentford 0
Norwich City 1

NORWICH moved to within eight points of the play-offs despite sitting in 13th.

The only goal of the game after just five minutes through a wonder strike from James Maddison.

The striker picked the ball up and struck home from 30 yards into the top corner. Both sides had chances in the second half with Barbet and Judge going close for Brentford but Norwich stood firm.

SCREAMER: Maddison

Bristol City 2
QPR 0

THE Robins took advantage of the other play-off teams in FA Cup action to beat a poor Rangers and move into fourth despite playing with 10 men from the first half.

Nathan Baker received his marching orders for two yellows then Famara Diedhiou opened the scoring with a header right on half-time.

Joe Bryan put the game beyond doubt in the second half.

Ipswich Town 0
Wolves 1

WOLVES opened up a 12 point gap at the top of the table and returned to winning ways following defeat by Forest.

Matt Doherty headed home a Douglas cross after 15 minutes to put Wolves in front.

Diogo Jota ran Town ragged all day and he could have had a couple but Bartosz Bialkowski was equal to the task.

Martyn Waghorn had Ipswich's best effort but Wolves look good.

Arthur sees red as Grigg fires Wigan through

ARTHUR Masuaka is facing a SIX-GAME ban after spitting at a Wigan player as West Ham crashed out.

He was dismissed just after the break for gobbing at Nick Powell.

It put the seal on a bad afternoon for the Hammers as Will Grigg's double saw League One Latics dump them out of the cup.

Masuaka didn't like a hefty tackle on him by Powell and appeared to spit at him. That's what the referee thought as he brandished a red card.

Hammers boss David Moyes is disgusted with his player's actions.

He said: "What Arthur did was despicable. He will get something off us.

"Let me not hide behind it. The referee didn't see it, he was influenced by the players but it was the right decision.

"We gave him a chance, we like him, he's a good boy around the club and I've enjoyed him, it is out of character. I asked him did he spit? And he said yes."

Moyes wasn't happy with the performance of his defence either.

He added: "The first goal for Wigan, they hadn't been in our box really. We hadn't played well, we changed it round, but the sending off was a massive moment."

The Hammers took 5,000 fans north but they didn't have much to shout about.

It was their first defeat in eight games and many regulars were left out. Grigg headed his first past Joe Hart from a Nathan Byrne cross.

There will be questions asked about the England goalie, who got his hand to it but couldn't keep the ball out.

Grigg made sure of the win with a penalty just past the hour mark after a Reece Burke handball.

It was an afternoon to forget for everyone from east London.

Wigan Athletic 2
West Ham United 0

DOUBLE TOP: Will Grigg

HAPPY: Dicko *(right)*

Hull City 2
Nottm Forest 1

HULL defeated the heroes of the third round with a fine performance that gave them their third win in 17 games.

Jarrod Bowen put the Tigers in front going past Michael Mancienne and finishing off at the post on 18 minutes. The lead was doubled five minutes before the break when Nouha Dicko headed home.

Apostolos Vellios pulled one back but it's Hull that go into the hat.

Millwall 2
Rochdale 2

THE Lions scored a late leveller against League One strugglers Rochdale.

Things looked simple for the Championship side when they went in front through a Jed Wallace spot-kick that gave the hosts a half-time lead.

Ian Henderson levelled for Dale when he bent one home from the edge of the box and that was followed by Matt Done's tap-in before Ben Thompson's late equaliser.

EQUALISER: Thompson

MK Dons 0
Coventry City 1

THE Sky Blues are the only League Two side guaranteed a place in the fifth round after a deserved win at Dons.

Coventry piled on the pressure from the outset and only good keeping from Nicholls kept out efforts from Maxime Biamou and Mark McNulty.

Biamou eventually got his reward though, finishing off a McNulty cross from close range to send the travelling fans wild.

MISTAKE: Neville is wrong man for the England job — but not because of Twitter

I'VE HAD MY PHIL OF TWITS

I TOTALLY disagree with the sad acts that spend what must be hours – days even sometimes – trawling through a person's years and years of tweets to try and find some dirt on them.

This witch hunt (Twitch hunt?) could theoretically put just about every leading public figure out of a job if you wanted to.

We all know that, even by footballer standards, Phil Neville is no George Bernard Shaw and whilst what he said in two or three tweets six or seven years ago is a bit naughty, it should remain where it is, well and truly in the past, in the "bants" archive and shouldn't stop him being the new England Women's football coach.

Irony and humour is often lost in a social media post or even a text or email these days – as I have found out several times when texting Mrs Merv.

What should have stopped him even being considered for the post was the fact that he barely fitted the criteria set out for it.

The FA said they were aware of his comments when they appointed him, perhaps this was a cleverly crafted smokescreen? Hang on, FA and clever? No, that can't be right.

★SPARE a thought for Leeds fans. ★After watching their team recover from 2-0 and a man down at half time at home to Millwall to lead 3-2 with just three minutes remaining only to lose 4-3 last Saturday, they were made to face Twitter ridicule when their club unveiled their new club crest.

Announced as 'six months in the making having consulted 10,000 and good for the next 100 years', the hideous computer-generated after-thought was quickly slaughtered by thousands, instantly comparing it to the Gaviscon and Pro Evolution Soccer logos – suggesting that development bit may have been close to six minutes than months.

The club's MD has agreed to reopen consultation, agreeing it hadn't gone 'deep enough', obviously not as deep as the club's proper fans anyway! This is the problem with football clubs being run like global businesses – they're not.

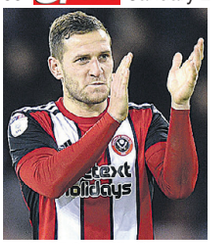

You can't just get a bunch of chin-rubbing hipsters or flip-chart merchants 'running it up a flagpole' or applying their 'blue sky thinking' to something as precious as a football club crest. If they had any clue, they'd have realised that Leeds are a famous old club who have had some of the most classic, iconic crests over the years. Couple that with a little bit of research with the real fans and it wouldn't have been hard to come up with something good.

Fact Hunt

Last week I asked: Who are the only international team to record an identical scoreline in every match they played in a World Cup finals? The answer is: Sweden, in 1990 who lost every match 1-2.

This week's Fact Hunt is: Which eight English cities can have derby matches? Answer next week…

SPOT ON: Billy Sharp

Billy too Sharp for shotshy Preston

Sheffield United	1
Preston N End	0

THE Blades proved too Sharp for Preston as a late penalty decided a scrappy tie.

Billy Sharp did the damage from 12 yards after being brought down by North End skipper Tom Clarke.

There were few chances for either side at Bramall Lane.

It took Preston all of 90 minutes to get their first shot on target. Sub Jordan Hugill put his foot through the ball and it took a sharp stop from United keeper Simon Moore.

Even Championship sides make wholesale changes for the FA Cup these says with Preston boss Alex Neil shuffling his pack with eight new faces.

The Blades were also changed as both teams look towards winning a place in the play-offs.

There were few chances of note in the first half as both teams cancelled eachother out.

North End keeper Declan Rudd saved well from Daniel Lafferty just after the break as United went on the front foot.

Nicked

Daniel Johnson couldn't keep his long-range effort on target with 12 minutes to go. It whistled just past the post from all of 20 yards out.

And they rued that miss when United nicked the precious place in the fifth round.

Sharp wriggled past Clarke inside the Preston box and the North End man brought him down.

Sharp got up to blast the ball past Rudd.

North End almost forced a replay in injury time. Louis Moult directed a cross back across the Blades goal but Hugill's volley was saved by Moore.

Sheffield United boss Chris Wilder was his usual honest self after the final whistle.

He said: "It wasn't a classic game.

"We needed to show a little bit more spark. We edged a tight game between two very evenly matched teams."

And Wilder summed up the feeling of both managers — one of relief that there won't be a replay!

He added: "Both of us, Alex and I, will be delighted it was decided on the day instead of playing another game."

CHARLIE McCANN

WITH HIS SPORTING ODDS AND ENDS

PRIORITIES: Benitez needs league points more than a cup win

TOON GET BLUES

CHELSEA boss Antonio Conte has been linked with a move for Arsenal's Olivier Giroud although the Frenchman remains 12/1 at BetVictor to make the switch across London.

Giroud is 6/4 to join Borussia Dortmund with the champions, reportedly, on the verge of bringing 31-year-old Edin Dzeko back from Roma.

If the former Man City striker makes the move then one would imagine Michy Batshuayi would be on his way out of the Bridge with Seville Evens at BetVictor to sign the Belgian — loan moves do count.

Chelsea entertain Newcastle this afternoon in the FA Cup and the Magpies have not reached the fifth round since 2006 including a 3-0 loss at Oxford at this stage 12 months ago. The Blues have progressed in five of the last six ties between the clubs although the latest was in 2006.

Last season's beaten finalists are 2/5 to win in 90 minutes with Newcastle 13/2 and the draw at 15/4. Former Blues' manager Rafa Benitez might prioritise Wednesday's vital home Premier League game with Burnley and I cannot see past a home win with the tip Chelsea to lead at halftime/fulltime at 11/10.

★The great Roger Federer is 2/9 to retain his Australian Open title this morning after his semi-final opponent Hyeon Chung retired with blisters in the second set with Federer in control of the match at 6-1, 5-2. If the Swiss master wins, it will be his 20th major title and his sixth win in Melbourne.

Today's opponent is sixth seed Marin Cilic who beat Rafa Nadal in the quarters and demolished Brit Kyle Edmunds in the semi. Federer did not drop a set in winning Wimbledon last summer when he beat Cilic in the final dropping just eight games in the process. Federer has not dropped a set so far in Melbourne and he is 2/9 to beat Cilic who is 7/2 to cause what would be considered as a shock.

Federer only got 32% of first serves in against Chung in the first set despite only dropping a game and he will have to play better against Cilic who beat Roger in the US Open semi in 2014 en route to his sole major title. Federer leads their head-to-heads 8-1 with Federer coming from a set down to win the last match between the players at the O2 London last year.

Cilic will take a set off Roger but Federer to win in four sets is the tip at 11/4 with BetVictor. Note for those who think Federer will win 3-0 we have an enhanced price of 6/4 (Max £20) at BetVictor for another straight sets win for the greatest tennis player of all time.

★At Sedgefield this afternoon Reverent Crust (1.10) can defy a 7lbs rise having finished runner up at Haydock last time when jockey Finian O'Toole may have played his hand just a shade too late.

Burrenbridge Hotel has been raised 11lb for scoring at Taunton last time under Sam Twiston-Davies who partners the consistent but frustrating Beau Bay (1.40) this afternoon. The selection gets further but should have the race run to suit today and gets the vote for Grand National winning trainer Dr Richard Newland.

Willie Mullins and Gordon Elliot go head-to-head in the feature races at Naas but As You Were (2.50) can go one better in the Maiden Hurdle for Alan Fleming than when runner up at Navan over the best part of three miles last time. This drop back in trip should suit and Denis O'Regan takes over in the saddle.

County in good Stead for replay

Notts County	1
Swansea City	1

VETERAN Jon Stead earned Notts County a replay against Premier League Wigan.

The big striker equalised for the home side after Luciano Narsingh put the Welsh lads in front.

Swansea boss Carlos Carvalhal put out a strong team that included Bayern Munich loanee Renato Sanches.

What the man who cost the Germans £60m made of Meadow Lane is anyone's guess.

A scrappy opening was brightened up by a great chance for the home side.

Jorge Grant put the ball over for Stead who caused problems for the Swansea defence.

The ball fell towards Elliott Hewitt who couldn't quite get a touch on it. Any contact would have opened the scoring.

Grant then tried a cheeky lob but stand-in Swansea keeper Kris Nordfeldt was equal to it.

Sanches got into the action with a long-range effort that was never troubling the County goal.

Damage

That was pretty much his last act as he limped off on the half-hour to be replaced by Ki.

Swansea finished the half strongly as Narsingh brought a good save from home goalie Adam Collin.

But he was picking the ball out soon after. The lively Ki did the damage, running at the County defence before teeing up Narsingh who finished well into the bottom corner.

Notts boss Kevin Nolan sent his players out revved up for the second half.

Grant might have equalised just after the break but Nordfelt kept his dipping effort out.

The same player flashed a shot wide from inside the box. And Swansea's pressure paid off.

Stead was a constant pain for the City defence and he got the equaliser.

Shola Ameobi picked up a Hewitt cross before turning the ball on for the big man to score.

That was the cue for the home side to get behind the ball. It worked well as they tried to allow Jordan Ayew enough space to fire straight at the goalkeeper.

The Swans were reduced to long-range efforts as they tried in vain to avoid the replay County deserved.

JACK IN THE BOX!

Stephens marks his birthday with winner

BIRTHDAY PRESENT: Stephens *(right)*

BIRTHDAY boy Jack Stephens got the only goal as Southampton stung the Hornets.

By PAUL THOMAS

The centre-back opened the scoring inside four minutes on the day he turns 24.

It should have been a lot more comfortable for the home side with Shane Long in particular missing a host of good chances.

But the Saints did enough to ease the pressure on under-fire Mauricio Pellegrino.

He chose to leave £19million striker Guido Carrillo on the bench days after his arrival from Monaco.

But it was a strong Saints side with just three changes from the line-up that took on Tottenham in the Premier League.

New Watford manager Javi Gracia brought in Adrian Mariappa, Jose Holebas, Etienne Capoue and Andre Gray.

The home side came racing out of the blocks and the pre-match cuppa was still steaming when Stephens broke the deadlock.

He reacted quickest to poke the ball home when Long's shot was blocked on the line by several Watford defenders.

It should have been two within a couple of minutes. Long got to the byeline and drilled a dangerous ball across the Hornets box.

Keeper Karnezis missed it and Cedric should have turned the ball home.

He was under pressure from Jose Holebas and put his effort wide.

Fired

Good workd by Dusan Tadic and Cedric created a good chance for Long but his header drifted over the crossbar.

Watford tightened the game up until Cedric got into space just outside the box and fired in a low shot that brought a good save from Kernezis who had to act lively.

The full-back contined to torment the Hornets defence and his cross was inches away from being turned home by Long.

The second-half continued with Southampton on the up. Long fluffed another good chance when played in on goal. His low shot wasn't a great challenge for keeper Karnezis.

The Irishman had yet another sight of goal on 55 minutes. He brought the ball down beautifully inside the box but he got his shot all wrong.

Pierre-Emile Hojbjerg almost snapped the Watford crossbar with a powerful shot that moved all over the place.

The game suddenly became more cagey as it ticked into the final 20 minutes. The Saints seemed content to keep things tight despite having missed so many chances.

Cheer

Watford were surprisingly slow to get forward and Holebas fired his cross well over the bar from a good position.

Carrillo came on for the final 10 minutes which at least gave the crowd something to cheer about as Saints saw out time.

Terriers hit boos with the Blues

Huddersfield	1
Birmingham	1

NEITHER side will be happy with a replay to distract them from their league struggles.

Steve Mounie put the home side in front before Lukas Jutkiewicz tied it up for Blues.

The home fans were far from impressed as they greeted the final whistle with a chorus of boos.

Birmingham had the game's first chance as Jutkiewicz shot wide from five yards out after a Carl Jenkinson cross.

And he was made to pay for that when Huddy took the lead shortly after.

A Blues move broke down allowing the home side to pile up the field.

Flo Hadergjonaj did the hard work, firing in a perfect cross for Mounie to head past David Stockdale.

On the half-hour, the Blues keeper had to act lively to block a Collin Quaner effort. The ball rebounded to Abi Sabiri but his header went wide.

Better

Philip Billing's return from injury came earlier than scheduled as he replaced injured Danny Williams before the break.

Huddersfield continued to dominate and Rajiv van la Parra might have done better from the edge of the box after a Quaner pass.

It came as a surprise when Birmingham tied the game nine minutes after the break.

Michael Hefele made a hash of his clearance and Jutkiewicz gave Joel Coleman no chance with his low shot.

It took a great save from Stockdale to keep it all square as he stopped Billing's effort. The play quickly went up the other end and Mounie spurned a good chance for Town.

Birmingham went close through a Jota 25-yarder before Jutkiewicz 'scored' when well offside.

Sabiri fired wide from a good position as both teams went for it.

Jutkiewicz brought a brilliant save from Coleman at close range.

Then Jota almost cashed in on a mix-up in the nervy home defence.

There were chances for either sides in a nervy final minute but the draw was a fair result.

MURRAY'S A PINBALL WIZARD

Middlesbrough	0
Brighton	1

SUPERSUB Glenn Murray got a last-gasp winner for Brighton.

The striker hit the target — but he didn't know too much about it as the ball pinballed around the Boro box.

It was enough to decide a nervy tie that could have gone either way.

Brighton boss Chris Hughton brought in Jiri Salak and Liam Rosenior as he left out key men at the Riverside.

The home side had the first sighteras Adama Traore created an opening for striker Ashley Fletcher. His drive was just wide from the edge of the box. The winger got in a couple of dangerous crosses that just needed a connection to put Boro in front — but they whistled through untouched.

Brighton had a go themselves and a Markus Suttner curler from distance wasn't far away.

Traore was the best player on the pitch though and he created another good chance for Boro.

This time he outran Kayal and Fletcher should have done better with the shot after being teed up.

Daniel Ayala was the next home player to spurn a good chance. The defender got his head on a cross but planted the ball straight at Tim Krul.

Patrick Bamford went for glory with an overhead kick that boomed over the bar before Traore almost opened the scoring.

His effort cannoned into the post after leading a counter-attack on the Brighton defence.

Albion had a good chance on the hour when Darren Randolph failed to deal with Beram Kayal's long-range dig. He got up quickly to block Skalak's effort before Ayala had to keep out Tomer Hemed's effort.

Then Knockaert launched a breakaway that teed up Kayal but he banged his shot wide from the angle.

Sub Jose Izquierdo went close for the visitors after showing good pace but he fired his shot straight at a relieved Randolph.

Brighton nicked it inside the final minute with a lucky strike. Penalty box pinball ended when Murray's final touch turned the ball into the net.

Dream debut for Diabate as Foxes fly past League One foes

COOL STRIKE: Diabate slots the ball home

LEICESTER showed their Premier League class to blow away the Posh.

By MIKE FRANCIS

Peterborough had no answer to the Foxes, who have unearthed a new gem in Fousseni Diabate.

The 22-year-old Mali international had a sensational debut with two goals and a hand in two more in the 5-1 romp.

The League One side could never get a foothold in the match, however hard a full house at London Road tried.

Kelechi Iheanacho took his chance for a rare start in Leicester colours to bang in a double with Wilfried Ndidi completing the scoring for Claude Puel's men.

Peterborough gave themselves some brief hope when Andrew Hughes pulled one back to make it 3-1 with half an hour to play.

But Leicester stepped their effort up a gear and the result was never in doubt.

Boss Claude Puel was happy with the afternoon's work.

He said: "It was important to start well, with intensity and quality.

"We did that and went on to score some very good goals. It was important for the squad that we could perform well. We had good focus to recover the ball together and to play good football."

Puel was impressed with his new signing Diabete who showed good pace as well as knocking in two goals.

Prospect

He wasn't getting carried away given it was a League One side he was taking on.

We will be hearing more of the player who arrived at the King Power from Ajaccio earlier this month for £4.4m.

He managed just three goals in 20 games for the second tier side across the Channel but looks a real prospect. The Leicester boss added: "Fousseni Diabate played in the second division in France but he has enough quality to play for us in the Premier League.

"It was a perfect first game. Now it's important he continues to work hard."

Iheanacho was pleased to get a start and hopes he has reminded the manager of what he can do.

The former Manchester City hitman said: "I think I am waiting for my opportunity, it has been a good season so far. I waited for my opportunity and took my chance, that is what we needed."

The game was over as a real con-

PREPARED: Guardiola

City boss expecting war with Warnock

Cardiff City v Man City

Sunday, 4pm, live on BBC1

PEP Guardiola won't send out his reserves to take on Cardiff.

The Manchester City boss has his eyes on a clean sweep of all four trophies this season.

That means getting through a potential banana skin in south Wales.

There's no doubt that the runaway Premier League leaders will make wholesale changes against the Bluebirds.

But the players coming in will be stars who are expected to give 100%.

Guardiola said: "We'd prefer more time but we are in four competitions and we have to adapt. That's not going to change.

"I have given my opinion on the fixtures and the rules but nothing will change and we have to adapt."

Cardiff boss Neil Warnock will have his players fully wound-up for their clash with the champions-elect.

Tough

Guardiola has told his players to brace themselves for some tasty challenges.

He added: "It will be tough.

"We started to speak about them and they know exactly how complicated will be the game.

"It will be so tough. We know that. So we play away a team that is in top form.

"Making good results. Playing the way they play so good. Second balls — tall team — set pieces — so aggressive in one-against-one. If you don't play quick with the ball, you will be in trouble.

"You have to avoid the contact as much as possible. Defend high because if you defend in the box, they are strong. And use your quality to try to do our game."

Warnock said: "It's been the easiest week of training.

"We've just been chasing shadows to get used to it.

"We've haven't had a ball out at all. It's been great. It is nice for me to manage against a team like that and work out how we can try and give them some sort of a game."

PETERBOROUGH 1 LEICESTER 5

SH, POSH!

LOOKING UP: Iheanacho after his second goal

test after just 12 minutes as Leicester raced into a 2-0 lead.

They added another before the break to end any hopes of a shock.

Hopes were high before kick-off with Leicester making 10 changes to their Premier League line-up.

Stormed

They left out Jamie Vardy and Riyad Mahrez but there was still far too much class on the pitch for Posh.

The home side were their own worst enemy in the build-up to the opener.

Their own throw-in was intercepted by Harvey Barnes who quickly stormed up the pitch to start the move that ended with Diabete stroking the ball home.

That was after seven minutes and the visitors didn't have long to wait for the second goal.

Again the home side played a big part as Chris Forrester gave the ball away before Iheanacho doubled the Foxes' lead.

Peterborough could manage just one long-range shot over the bar before Leicester added their third.

This time Christian Fuchs showed a touch of class down the left to fire over a perfect cross that Iheanacho volleyed home in style.

The teacups must have been rattling in the Boro dressing room at the interval as they came out for the second half full of fire.

They should have pulled one back quickly when Marcus Maddison failed to tee-up Jack Marriott for a tap-in.

Rattled

But Hughes did get London Road rocking just before the hour mark. Steven Taylor got his head on a Posh corner and Hughes was on hand to finish from 10 yards out.

That sparked a couple more chances for the home side as Leicester's much-changed side briefly looked rattled.

But Diabate got the Foxes going again with a drive from distance that brought a good save from Jonathan Bond.

And the new Fox soon had the ball in the back of the net to kill off any hopes of a dramatic comeback.

He combined well with the excellent Demarai Gray whose shot was blocked into the Diabate's path and he made no mistake with a cool finish.

In truth, 4-1 was a little harsh on Peterborough and it got worse as Ndidi struck nicely in the dying seconds to make it even more emphatic.

Diabate was involved again as the sub fired home from the edge of the Posh penalty area.

LOSING SLEEP: Conte

Conte has got Blues over his bad form

Chelsea v Newcastle

Sunday, 1.30pm, live on BT Sport 2

ANTONIO Conte says he is worried about Chelsea — but hasn't given the sack a second's thought.

The Italian is more concerned about the Blues' stuttering form than his own situation.

Chelsea have won just one of eight games this month and it would turn up the heat should Newcastle pull off a shock win in the FA Cup.

Conte said: "I live this job with great passion, with great love and for this reason sometimes I don't sleep.

"When I don't sleep I usually continue to work with the computer also because I don't want to create problems with my wife.

"I go to the living room and then sometimes I start to work, to watch the game or to try to find a new solution.

"To watch the game many times is important to understand positive things and negative things and to try to improve your team, especially when you lose.

Shopping

"For me, it is very important to understand quickly the reason we lost."

Newcastle should give Chelsea an easy ride as boss Rafa Benitez is much more bothered about the Premier League.

And the Spaniard is desperate to bring in new faces before the transfer window closes next week.

He has taken Kenedy on loan from Chelsea and Feyenoord striker Nicolai Jorgensen is the next name on his shopping list.

The Toon have had a bid of £15m turned down by Feyenoord for the Danish international.

Benitez said: "We will not talk about names. What I said before is what I will say now — until January 31, I have to wait and hopefully we can do what we have to do.

"I have said before we need some help to be sure.

"We gave a list of names to the board at the beginning.

"We have a list and we just keep working, in different positions. We need some help so that we will be fine in these positions."

DZEKO D-DAY!

Bridge boys give Roma Monday deadline for £30m Edin transfer

EDIN Dzeko's move to Chelsea must be sorted on Monday — or the deal is OFF!

The Blues have told AS Roma to pull their finger out and get the £30million transfer through.

And the deal should be done as the player is keen on a Premier League return and the Italians like the fee.

By JOHN ANTHONY

The Blues want Dzeko as part of a double deal that includes Emerson.

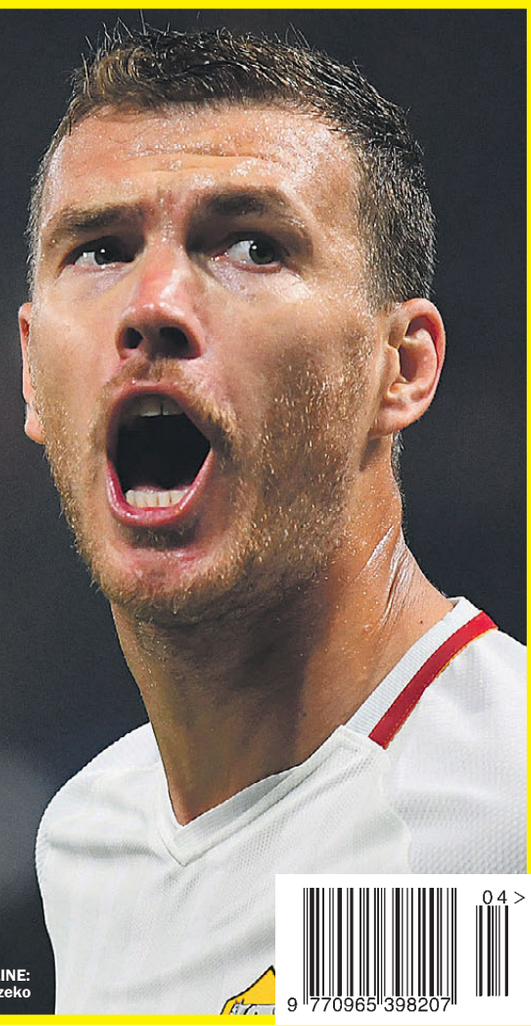

He is almost certain to be at Stamford Bridge when the window closes no matter what happens with the Bosnian.

Sources in Italy suggest the double move will go through.

But Chelsea are still looking for a target man — and some unexpected names are in their sights.

As well as Stoke veteran Peter Crouch, boss Antonio Conte is also considering a late move for Burnley striker Ashley Barnes.

The 28-year-old has scored 18 times in 122 games for the Clarets.
